The Olympic Arms Owners Association is proud to have a collection of some of the finest people in the world as Staff and Advisors to our organization. These dedicated volunteers see to it that the daily functions of OA2 are properly cared for, while at the same time doing the best job on the net in not only maintaining decorum in the discussions, but seeing to it that in spite of being an open-source forum based web site, that OA2 remains a family friendly, inviting place where all are welcome to come and participate without reservation.

The OA2 Management and Staff are as follows:

[Tom Spithaler - Rattler](#) - President - Administrator
[Globemaster](#) -Vice President- Administrator
[Ductapeman](#) : Seargent at Arms: Administrator
