Because of the way that Facebook is handling "groups" vs. "pages", the Olympic Arms Owners Association "Group" is becoming a "Fan Page" instead. The Official OA2 FB page is now located here:

[OA2 on Facebook!](#)

Visit our facebook page.

Go there, and "like" the page to keep updated with fans and users. Tell your friends too! A lot of people use FB and do not visit our forums. Just another way to network and grow the Olympic Arms market presence to those people who might not otherwise find it.

Thanks!
